**TEMPORARILY
PENDING**

During our scheduled events, normal club operation is suspended so we can focus on our event.

No members will hunt during any event unless you are participating in the event.

Members will follow the same guidelines as our guests during scheduled events. This will include, but not limited to: Registering your children prior to the event, Weapons check in/out procedure, checking in/out upon arrival and/or departure from our event.

In order to reduce distractions during our messages, all club facilities will be closed during this time. This includes checking in/out, firing range and all motorized vehicles. These times are brief and are our main focus. We want to show respect for the people who have taken the time to come speak to our group.

Event Harvest: Harvest rules during our event will be determined prior to the event.

WORK DAYS & TIME CARDS

Work Days 2022 : Aug 13, Aug 27, Sept 10, Sept 17, Sept 24. Inclement weather days will be rescheduled.

Each section of our property is under the supervision of a Section Leader/Property Manager.

Members will be assigned to sections. Work day tasks will be assigned per member by Section leader

- 1 Everyone **must** meet at the clubhouse on the scheduled work day at 7:00 am. Members must sign in before the day starts and must stay until 3:00PM for the day to count towards their time.
- 2 Each member will be required to work a minimum of 3 scheduled work days. We will schedule 5 total plus planting day. If you do not attend 3 work days, you will be assessed an additional **\$200** per day fine for each day missed. **All members are required to attend planting day.**
- 3 Work requested by boardmembers outside of workdays will be tracked and credit given.
- 4 **All members are required to participate in at least one event.** Task list will be available for sign up. Tasks include mentoring, sign in, setup, clean up etc. Some tasks will need to be completed before event.
- 5 Any member that has not completed work requirements or paid fines will **NOT** be allowed to hunt.

DEER SEASON RULES & GUIDELINES

Sign In/Out Procedure

- 1 Anyone caught on property without signing in will be suspended for remainder of the season.
- 2 Anyone signing in themselves or someone else that doesn't hunt that day, will be suspended for 30 days.
- 3 Sign in time is 4:00 a.m. Those who spend the night at the camp will be allowed to sign out after **8:00 p.m.** the night before.
- 4 We use a two system sign in/out procedure. Everyone must sign in/out of Log Book and on Map.
- 6 **PLEASE USE ONE ENTRY NAME PER LINE.** If you bring your wife/child/guest, each person needs to be on a separate line, even if they are hunting in the same stand as you.
- 7 Everyone may sign out up to 40 contiguous acres of woods at a time. You can only sign out 1 food plot in your area.
- 8 Everyone may sign out up to 80 contiguous acres of clearcut at a time.
- 9 If you change hunting location, fill out a new entry in sign in book. We use this data.
- 10 During deer season, Wednesdays will be designated as a scouting day. You may sign out up to 80 contiguous acres in one area. You will be able to hunt in that area.

STANDS

Climbers, Ground Blinds, Shooting Houses, Lock- on's, Ladder Stands

- 1 **All climbers, lock-ons and ladder stands must be removed from all Lawley property by March 15th. Any stands left will become Majestic property. Stands may be put up beginning Sept. 1st.**
- 2 Safety harnesses must be worn when hunting from a climber or lock-on stand.
- 3 NO homemade wooden ladder stands shall be placed on our property for any reason.
- 4 Manufactured ladder stands must be anchored to the tree by a chain or ratchet strap. NO NAILS, ROPES, OR BOLTS MAY BE USED.
- 5 If a stand does NOT belong to you, you MUST have permission from the owner of the stand to hunt from it. Stands labeled Majestic Outdoors and shooting houses are available for everyone to use at any time.
- 6 Any stand on food plots and/or clear cuts are for everyone's use.
- 7 No climbing sticks may be left attached to any tree next to a food plot without the stand attached. Stands on food plots must be authorized by section leader
- 8 **Under no circumstances are there to be anything screwed into a tree.** This includes, but not limited to, tree steps, bow hangers, camera hangers or anything else that can penetrate into the tree itself.
- 9 **PER OUR LANDOWNERS: DO NOT CONTINUALLY CLIMB THE SAME TREE REPETITIVELY.** This damages the protective bark and increases the chances of a pine beetle colony setting up.
- 10 Shooting houses will be built by the pattern we have designed. Contact Dan Spence for blue print.

FOOD PLOTS

- 1 Does may **NOT** be harvested on a food plot with a firearm by any adult without prior approval or specified in each zone. **Special Exceptions:** Disabled, children, ladies, seniors over 61 and bowhunters.
- 2 There must be a 50 yard "buffer" zone around food plots when harvesting a doe with a firearm.
- 3 If you are eligible to harvest a doe on a food plot, there must be a minimum of two deer on the field or an identifiable mature doe. This is to reduce the number of yearling deer harvested.
- 4 Game cameras must not be placed on or within 100 yards of food plots from Oct. 1st through Feb. 10th.

Color Coded Map Zones

Our map is divided up into three different color **ZONES**:

HARVEST DATA, PICTURES & RECORDS

Below are the proper steps in collecting harvest data:

- 1 Pictures **MUST** be taken with the hunter before deer is cleaned. This includes does!
- 2 Pictures must be made in front of our sign and sent to board member in a text or email.
- 3 Deer must be weighed before dressing.
- 4 Record weights on paper harvest tag.
- 5 Pull jawbone of deer and place hard white tag on it securely.
- 6 Place in jawbone box beside skinning shed.
- 7 Fill out the kill sheet inside camp house. If guest, members name must be recorded also
- 8 Place paper harvest tag in guest fee box after filling out kill sheet.

JAWBONES

- 1 One lower jawbone must be removed before the animal is taken from the property.
- 2 Jawbone must be tagged with the hard white plastic tag and placed in the jawbone box outside of skinning shed.
- 3 Confirm that the paper harvest tag and the hard white plastic tag numbers match.
- 4 Fill out paper harvest tag in its entirety, **BOTH FRONT & BACK.**
- 5 Anyone caught sneaking a harvested animal off of the property will be expelled immediately.

SCALES

SCALES DO NOT TURN OFF AUTOMATICALLY

- 1 We have 2 digital scales that are calibrated before deer season.
- 2 Hold red button down until scale turns on.
- 3 Hold red button down until you hear a beep to turn off.

SKINNING SHED

- 1 Spray floor with water before hanging deer. This will keep blood from sticking to concrete.
- 2 Clean all tools, gambrel, jawbone removal tool, jawbone clippers, etc... before storing.
- 3 Spray all blood from floor, including underneath the sink, counter top & sink.
- 4 Empty and clean gut bucket when finished.
- 5 Turn scales off when complete.
- 6 Turn off water.
- 7 Roll hose up.

WALK-IN COOLER INSTRUCTIONS

- 1 All animals **MUST** be tagged when put in cooler.
- 2 Turn breaker on – Outside on the right
- 3 DO NOT TURN FAN SWITCH OFF.
- 4 Spray cooler floor out after hanging animal.
- 5 Make sure wheel on top of door catches in latch.
- 6 Turn off light – Outside on front
- 8 Any animal left in cooler for more than **3 days** will become property of Majestic.

After removing animal:

- 9 Wash cooler out completely including drain
- 10 Turn off breaker, if there are no more animals in cooler.
- 11 Leave door opened

PENALTIES

Any violation of rules will come before the Ministry Board and/or Leadership Team for discussion of penalties, unless otherwise stated in the rules.
